The horsemanship pattern portion of the Stonyford Rodeo Queen contest is to demonstrate the ability of the contestant to show herself and her horsemanship skills. Therefore, the Stony Creek Horseman's association has adapted the following pattern to demonstrate basic horsemanship skills as controlling speed, increasing speed, picking up correct leads, displaying a flag while presenting herself in a manner that demonstrates the poise and elegance associated with the title of a "Queen". In an effort to eliminate the need for a finished reining horse, judges will be critiquing basic horsemanship skills, appearance and presentation while correctly performing the adopted pattern.
